# Rules of Procedure

-A guide of how the committee will work-

01 ✨

Roll call ✨

# How does Roll call work?

1. Roll call happens at the start of the MUN conference.
2. The Chair says each delegation's name.
3. Delegates answer when they hear their portfolio.
4. Saying "Present" means that you are in committee and want to participate in the conference; you can't vote in the final resolution but you can choose to vote later.
5. Saying "Present and voting" means that you are willing to speak and participate in committee and want to vote in the final resolution

# 02 ★ Motions

# How do Motions work in committee?

1. Motions are formal requests made by delegates to the Chair to direct the flow of debate.
2. A delegate must raise their placard and wait to be recognized by the Chair before proposing a motion.
3. The Chair decides whether the motion is in order.
4. Some motions require a second and may be voted upon by the committee.
5. Motions are used to open or close debate, move into moderated or unmoderated caucuses or introduce voting procedure

# Types of motion and their verbatim

## Motion to Open Debate

-*"Honorable Chair, the delegate of [delegation] would like to begin formal session."*

## Motion for a Moderated Caucus

-*"Honorable Chair, the delegate of [delegation] would like to move for a moderated caucus with a speaking time of \_\_\_\_ seconds and a total time of \_\_\_\_ minutes, on the topic of \_\_\_\_."*

## Motion for an Unmoderated Caucus

-*"Honorable Chair, the delegate of [delegation] would like to move for an unmoderated caucus for \_\_\_\_ minutes."*

## Motion to Close Debate

-*"Honorable Chair, the delegate of [Country] would like to suspend \_\_\_\_."*

## Motion to Enter Voting Procedure

-*"Honorable Chair, the delegate of [delegation] would like to move to enter voting procedure."*

**Points** ✨

# Use and format of Points

## 1. Point of Order

- Factual inaccuracy - Correct a wrong fact
- Logical fallacy - Point out bad reasoning

Verbatim: "Honorable Chair, point of order."

## 2. Point of Personal Privilege

Purpose: Solve personal issues affecting participation

Verbatim: "Honorable Chair, point of personal privilege. I cannot hear properly."

# Use and format of Points

## 3. **Point of Parliamentary Inquiry**

Yields

# HOW DO YIELDS ?

**When a delegate finishes their speech before the allotted time frame has passed, they may yield the remaining time of their speech in the following manner:**

- Yield to POIs: They utilize the rest of their time entertaining POIs from the rest of the delegates.
- Yield for comments: They utilize the rest of their time entertaining comments from the rest of the delegates.
- Yield to the EB: The EB decides what to do with the Time.
- Yield to another delegate: The time is given to another delegate.

# Moderated Caucus

## Purpose:

- To have a focused and structured discussion on a specific part of the topic raised in the motion by a delegate.
- Helps delegates clarify their positions, discuss specific issues, or ask questions about others' statements and stance.

## Procedure:

- The Chair calls on delegates one by one to speak according to the motion passed by committee.
- Each delegate is given a fixed time limit (usually 30–60 seconds).
- Only the delegate recognized by the Chair may speak.
- During the speaking time, other delegates cannot interrupt, except with Points of Orders if allowed.

## Advantages:

- Allows delegates to share ideas concisely.
- Helps the committee analyze details of the topic.
- used before drafting a resolution to narrow down subtopics.

# Unmoderated Caucus

## **Purpose:**

- To allow informal discussion and negotiation among delegates.
- Helps with collaboration, brainstorming, and drafting resolution.

## **Procedure:**

- Delegates move freely around the room to talk to other delegates.
- No formal speaking order.
- Delegates can form groups, share ideas, and draft clauses for resolutions.
- Usually lasts for a set time, such as 10–20 minutes.

## **Advantages:**

- Helps delegates form alliances and negotiate.
- Allows delegates to draft sections of a resolution collaboratively.
- Often follows a moderated caucus to turn ideas into actionable clauses in the subtopics of a resolution.

# 07 ★ Crisis tools ★

# Directives

1. Directives are tools used in crisis MUNs to take action.
2. They tell the crisis staff what you want to do.
3. They are used to respond quickly to situations or to create new situations.
4. Directives are short but detailed explanations of the course of action, and they must be very precise about the operations to be carried out.
5. They can be covert, overt, covert-joint, or overt-joint.
6. What happens next depends on how realistic the action is and how clearly the directive is written.
7. Directives help change the situation in real time during the committee and shape future crises as well as the drafting of resolutions based on the actions taken.

# Communiqué

Example -

<https://docs.google.com/document/d/1lrR8SdINoku8FWIElwLq2FqxYlrnuJQ3Xz-A9Prnv6g/edit?usp=sharing>

1. Communiqués are messages sent during a crisis.
2. They are used to communicate with other delegates, governments, leaders, or organizations who are not present in the committee.
3. They can be private or public.
4. Communiqués help in negotiation, alliances, threats, or diplomacy around the world.
5. They do not directly take action like directives they are formal requests.
6. They can influence how other actors respond and based on the request present in front of them.
7. Crisis staff may reply to communiqués as the actor you contacted which depends solely on the type of request made.

# Press releases

Example -

[https://docs.google.com/document/d/1A1KpUeahgSmpbsXgtECz-Rf1og\\_Qt2FNsHQS\\_oZ4KLs/edit?usp=sharing](https://docs.google.com/document/d/1A1KpUeahgSmpbsXgtECz-Rf1og_Qt2FNsHQS_oZ4KLs/edit?usp=sharing)

1. Press releases are public announcements.
2. They are issued to shape public opinion.
3. They tell the media what your government or actor wants people to know.
4. They are always overt and public.
5. They can be used to justify actions, calm the public, or send warnings.
6. Press releases can influence international reaction and legitimacy.
7. Crisis staff may base public response and future updates on them.

# Provisional speakers list

1. Its is a special speakers list which comes in motion once a crisis is shown.
2. It is like a gsl but it talks about a certain problem instead of covering all criterias of the agenda itself.
3. Unlike the gsl tho it only has a selected number of speakers who are chosen by the Chairs
4. The psl has to be very concise and factual; it also has a specified time limit and its a on spot speech on the recent crisis

# 08 ★ Resolution ★

# What is a Resolution?

Example -

[https://docs.google.com/document/d/1B7AQ2D3xJBbFu7Q54\\_sQDWCe39gWT064LCeOrcQqpc/edit?usp=sharing](https://docs.google.com/document/d/1B7AQ2D3xJBbFu7Q54_sQDWCe39gWT064LCeOrcQqpc/edit?usp=sharing)

1. A formal written document that presents the committee's collective solution to the agenda.
2. It reflects agreements made through debate and negotiation among delegates.
3. The resolution follows a strict UNGA style format and language.
4. It contains preambulatory clauses (background and reasons) and operative clauses (actions to be taken).
5. It is voted upon by the council at the end of debate.
6. Passing requires  $\frac{2}{3}$  majority votes in favour and no veto by a P5 delegate.
7. Once passed, it represents the official decision of the MUN Security Council.
